RATE HEARING – 2011 RATES

Mr. Platt was sworn in by Mr. Gregory. The Secretary provided a copy of the Rate Hearing notice to Washington Township and Tewksbury Township Municipal Offices. These notices were marked Exhibit A for the record. Mr. Platt prepared the budgets and rate schedules for 2011. He is recommending the rates be adopted. The rate schedule was published in the newspapers and is marked Exhibit B. The process of determining the rate schedule was provided. A rate increase is recommended for both water and sewer. This increase is required to pay operating, maintain the system, capital improvements and those required by the NJDEP. The Rate Hearing was opened to the Public. There being no Public present, the Hearing was closed to the Public. The Hearing was opened to the WTMUA Board for questions. There being no questions, the Rate Hearing was closed.

RULES AND REGULATIONS

As discussed, Appendix "A" will be revised in section F.c. as follows: "c. *Non-Payment - For administration and physical shut off water for non-payment of bill: \$50.00.*"

APPROVAL OF 2011 BUDGETS

Operating Budgets remained as presented at the last Board Meeting. A few Capital items were moved from 2012 to 2011 - the LV7 Pump Replacement, with the reduction of the Camp Wash Spring Elimination to offset the pump replacement. The 2010 money allocated for a new vehicle was moved into 2011 since it wouldn't be delivered until 2011. This money was offset by a reduction in Sewer I&I and the removal of office landscaping (water and sewer) which will be absorbed in operating maintenance.

MUA RULES & REGULATIONS – III USER FEES

The practice of when to begin billing user fees on new hook ups was discussed. It was agreed that the MUA Rules & Regulations should be interpreted as to begin billing user fees at the time of connection to the system.

It was recommended that the Fairview development agreements should be reviewed to see if there are any expiring provisions that need to be considered. Additionally there may have been an agreement for a payment from the developer with regard to a well. J. Gregory will review the agreement and advise.

A question was raised as to if a building addition requires adjustments to the water service agreements. J. Gregory will review the Valley View Agreement to see if there is anything applicable with regard to the pending sewer connection.

DIRECTOR'S REPORT

- F. Platt met with the WT Police Chief the County OEM and the WT OEM to review the County OEM reverse 911 program and its application to the MUA's need to have the ability to notify customers

of, within 24 hours, of any issues with the water system as required by the DEP. An area can be contacted via landlines. The system does not notify cell numbers, internet phones and commercial numbers. Although additional numbers can be provided to the System. May need to supplement this system with email and/or website posting. Requesting customers to supply current phone numbers is an option to supplement the County System. The DEP does not require the MUA to go to extraordinary measures to notify. The County OEM will satisfy the requirements. The alternative is to go to a private service, similar to the one that the schools use, that would provide more complete coverage of our users. The procedure will be updated and re-circulated for approval.

- A Bartley Road resident that has recently been given permission by the DEP to connect to the sewer system has requested a loan for the connection fee. This has been done in the past and will be provided in this case as well. J. Gregory will generate the paperwork to provide this loan as a mortgage against the property.
- Staff performance reviews are being developed.
- DJ Egarian Assoc bills for the Grove Street Pump Station need to be reviewed. F. Platt requested a sub-committee to go over these with him. D. Strawn and M. Napolitano will participate in that process. Paperwork was provided.

SCADA – SM18

SM18 is the well that pumps to the Naughtright Tank with sensitive pressure sensor that has resulted in overflows. With the SCADA control this will control that lost water. Five additional vendors were contacted to provide proposals. None of those suppliers have provided proposals with some advising that they could not do the work.

<p>RESOLUTION AUTHORIZING SERVICES FOR SCADA SYSTEM IMPROVEMENTS FOR WELL #18</p>

No. 11-01-G

WHEREAS, the Washington Township Municipal Utilities Authority (“Authority”) is in need of certain improvements to its SCADA system for Well # 18; and

WHEREAS, Technical Components Co., Inc., submitted a Proposal dated November 18, 2010 (items 1 and 3), attached hereto as Exhibit A, to supply the necessary labor and materials for the aforesaid improvements to the SCADA system; and

WHEREAS, Technical Components Co., Inc. has previously preformed work on the SCADA system;

WHEREAS, the Proposal is below that requiring public bidding; and

WHEREAS, although a good faith effort to solicit competitive quotes was made, none were received and, therefore, the submission of competitive quotes is not practicable; and

WHEREAS, it is in the best interest of the Authority to accept this Proposal (items 1 and 3) and funds are currently available for these purposes.

NOW, THEREFORE, BE IT RESOLVED by the Washington Township Municipal Utilities Authority:

(1) The Executive Director is hereby authorized and directed to accept the attached Proposal of Technical Components Co., Inc. for improvements to its SCADA system for Well # 18 with an amount not to exceed \$17,410.00 in accordance with the attached Proposal (items 1 and 3) attached hereto as Exhibit A.

(2) The Executive Director is authorized and directed to issue a purchase order or enter into a form of contract to be approved by the Authority’s attorney for said improvements in an amount not to exceed \$17,410.00.

(2) This Resolution shall take effect immediately upon passage according to law.

SMITH WELL SITE

<p>RESOLUTION AUTHORIZING THE AWARD OF A NON-FAIR AND OPEN CONTRACT FOR PROFESSIONAL SERVICES</p>

No. 11-01-E

WHEREAS, the Washington Township Municipal Utilities Authority ("Authority") has a need for professional consulting services in connection with the preparation of an amendment to the current Water Allocation Permit for the development of a new well in the Schooley's Mountain water system; and,

WHEREAS, Fisher Environmental Engineering Services, Inc., DBA, Geosciences Services, has submitted a proposal dated October 22, 2010 for the preparation of the permit amendment application, attached hereto as Schedule A. hereinafter the "Proposal"; and,

WHEREAS, the Proposal, not to exceed \$20,000.00, is satisfactory to the members hereof; and,

WHEREAS, the Executive Director hereby certifies that adequate funds are available for these purposes; and,

WHEREAS, the Local Public Contracts Law (N.J.S.A. 40A:11-1 et seq.) requires that the resolution authorizing the award of a contract for "Professional Services" without competitive bids or competitive quotes and the contract must be made available for public inspection; and,

WHEREAS, this is an award of a non-fair and open contract in accordance with N.J.S.A. 19:44A-20.5 and as required thereby: (1) the Executive Director has determined and hereby certifies in writing that the value of the contract is anticipated to exceed \$17,500, (2) Geosciences Services has submitted a Business Entity Disclosure Certification which certifies that Geosciences Services has not made any reportable contributions to a political or candidate committee in Township of Washington in the previous year, and (3) the Contract will prohibit Geosciences Services from making any reportable contributions through the term of the contract; and

WHEREAS, the anticipated term of this contract is one year.

NOW, THEREFORE, BE IT RESOLVED by the Washington Township Municipal Utilities Authority:

(1) The Executive Director is hereby authorized and directed to accept the Proposal of Geosciences Services and submit a form of contract as approved by the Authority attorney in an amount not to exceed \$20,000.00 for professional services as set forth in the Proposal.

(2) A copy of this Resolution and the Contract engaging Geosciences Services shall be kept on file and available for public inspection at the office of the WTMUA, PO Box 226, 46 East Mill Road, Long Valley, New Jersey.

(3) This contract is to be entered into without competitive bidding or competitive quotes as a "professional service" in accordance with N.J.S.A. 40:11-5(1)(a)(i) of the Local Public Contracts Law, because it involves the services of recognized professionals.

(4) A notice of this action shall be printed in the Observer Tribune within ten (10) days of the passage of this resolution.
