**F. Time for Payment of Fees:**

1. All Connection Permit Fees, except for Public Education, shall be paid in full prior to Permit Issuance. However, in the case of mandatory connections as required by the Authority's Rules and Regulations or

# WASHINGTON TOWNSHIP MUNICIPAL UTILITIES AUTHORITY

## Appendix “A” – Rate Schedule

Township Ordinance, all Connection Fees shall be due and payable upon the expiration of the time allowed for said mandatory connection.

2. Upon the execution of a form of payment agreement acceptable to legal counsel for the Authority, Connection Permit Fees for public education facilities may be paid in installments amortized over a period of Twenty (20) years at an interest rate of four (4%) percent per annum, with payments to be made every quarter over the installment period. The first installment shall be paid in full prior to Permit Issuance. Applicant may elect to pay the entire Connection Permit Fees at the time of application or at any time during the term of the payment period.

**G. Time for Connection Permits:** Connection Permits shall be valid for one year from the date of issuance. Connection permits for water and sewer services may, at the discretion of the Authority, be renewed without limitation. Upon renewal of permits, applicants shall pay any difference between the connection fee paid at the time of issuance or last renewal and the connection fee in effect at the time a renewal.

<sup>1</sup> Rates are per Dwelling.

<sup>2</sup> EDU = EQUIVALENT DWELLING UNIT. The EDU is the ratio of projected average daily usage of the Applicants facility to average daily use for a Single Family Home having three (3) or more bedrooms, rounded to the highest one-half (1/2) of a unit. The EDU for any facility shall be determined by the WTMUA based on the flow standards adopted by the NJDEP under NJAC 7:14A-23.3 Projected Flow Criteria. EDU's will be based on the use or uses of an existing or proposed structure at the time of application. Where structures contain more than one use, the EDU will be based on the fractional EDU of each individual use and rounded to the highest one-half (1/2) for the entire structure.

### III. USER FEES

User fees shall be calculated from the earlier of the issuance of a Certificate of Occupancy, actual connection to the Water or Sewer system or the expiration of the time allowed for the connection to the Water or Sewer system as required by Township ordinance. The initial bill shall be issued at the first billing cycle following the earlier of the issuance of a Certificate of Occupancy, actual connection to the Water or Sewer system or the expiration of the time allowed for the connection to the Water or Sewer system as required by Township ordinance and shall be proportioned in accordance with the time user fees are calculated from and the actual billing. User fees are due upon receipt of bill from the Authority.
